

TAKEOFF HOLD LIGHTS (THLs) on 18L/36R DFW

If THLs are **RED**, STOP! THLs are **RED** when it is not safe to take off.
Remember: Lights indicate status only, never clearance!
Surveillance-driven lights turn on/off to increase situational awareness.

Pilot's view of Takeoff Hold Lights (THLs)

THLs at *full length* and *intersection departure positions* as shown:
